“Experiences, challenges, and lessons-learned of woman project managers in Singapore”

More and more projects are managed by women who bring special skills and abilities to projects. The Female Project Managers Breakfast event series offers a networking platform to women in project management roles so they can bring their full potential to play. This event takes place every three months in Bern, Graz, Salzburg, Singapore, Vienna, and Zurich.

This events in Singapore establish the community of female project managers and takes a broad look at the experiences, challenges, and lessons-learned faced by female project manager in Singapore with the objective to explore and prioritise more specific topics for future events.

The next event will be released soon and will take place in May 2018.
